Re: Upgrades to Hazelwood West High School in St. Louis County, Missouri (the "West Project")

In August, 2012, Wright Construction Services, Inc. ("WCS") entered into an agreement with the Hazelwood School District ("HSD") whereby WCS agreed to perform as general contractor to HSD for the construction of certain upgrades and improvements to Hazelwood West High in St. Louis County, Missouri (the "West Contract").

WCS sufficiently completed the West Project substantially in accordance with the contract to permit Hazelwood West High School to open on schedule.

Sincerely,
